

Egelston Township is constructing a new 13,403 square foot fire station which will include: new office areas, training room, support spaces, apparatus bay and associated bays for fire department vehicles. This project will be completed in two Phases. Phase 1 will be the construction of a New Facility immediately adjacent to existing facilities while maintaining current operating conditions of existing Fire Station. Phase 2 consists of demolition of existing facilities and construct additional parking for new facility.

Bids are being solicited for the following scopes of work: Demolition, Sitework, Bituminous Paving, Concrete, Masonry, Steel & Misc. Metals, Waterproofing & Dampproofing, Roofing, Glass & Glazing, Sealants, Drywall & Acoustical, Flooring, Painting, Fire Protection, Mechanical Systems and Electrical Systems

Bids are due Tuesday, April 23, 2013 at 2:00pm at the Egelston Township Building, Main Board Room located at 5380 E. Apple Ave, Muskegon, MI 49442. All proposals will be privately opened.

Contract documents may be obtained electronically after 5:00pm, Friday, April 5, 2013, via FTP Website: <ftp://blueprint.christmanco.com> Username: Egelston / Password: 212670. Plans may also be viewed in person at Mark A. Reenders Construction, Inc. in Association with The Christman Company, 634 Front St. Suite 500, Grand Rapids, Michigan 49504. Finally, plans are also available at River City Reproductions (616) 464.1220 at trade contractor expense.

There will be a pre-bid conference at Egelston Twp. Offices, 5380 E. Apple Ave on Wednesday, April 10, 2013 at 8:00 AM conducted by the Design Builder. **It is strongly recommended that contractors attend the pre-bid conference.**

All questions are to be directed to the Design Builder. Please contact David Schoonbeck by email at [david.schoonbeck@christmanco.com](mailto:david.schoonbeck@christmanco.com). **No direct contact with the Owner or Architect is requested.**
